

Literacy and Mathematics in Grade 3: Key Dates & Resources

The Nova Scotia Assessment: Literacy and Mathematics in Grade 3 (LM3) will be administered on four mornings in May. French Immersion students complete the *Mathématiques* component of the assessment; they do not write the literacy component.

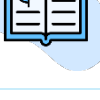

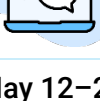

New in 2024–25:

- The new LM3 Assessment Handbook replaces Checklists, Information Guide, and Administration Guide.
- All materials needed for administration will be mailed to schools in one package instead of two.

Resources for administration will be printed and sent to schools and are also available on the Program of Learning Assessments for Nova Scotia website plans.ednet.ns.ca/grade3/documents:

- **LM3 Assessment Handbook** – all information needed to prepare for and administer the assessment.
- **LM3 Sample Questions** – to familiarize students with assessment question formats.
- **Parent/Guardian Information Sheets** – to introduce the purpose, timing and content of the assessment.
